## DESIG ED, LEASE

SnowStorm® blankets combine luxurious softness with unparalleled durability and cost-effective performance. It's reliably colorfast and strong, with bidirectional, equal, one-inch double-needle hems. 100% polyester fleece combines cozy, lightweight warmth with unrivaled durability.

## B IL, K

Engineered for exceptional tensile strength and thermal efficiency. SnowStorm® holds its shape and pill-free hand, wash after wash. Fast-drying fleece means it's ready to go back to work quickly. Extended service life and faster processing mean lower cost per use. Class 1 flammability rating. Choose ivory or tan.
