

INNERLOFT®

INNERLOFT®

ANDARD
TEXTILE e 940

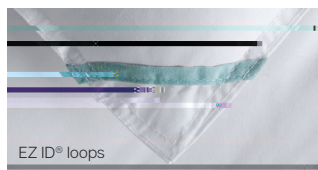

SO WARM. SO TOUGH. SO AFFORDABLE.

With an Innerloft® blanket on the bed, your guests can anticipate a warm, comfortable night ahead. It's a place to toss their luggage. A trampoline for the kids. A cushiony lounge for watching TV. Standard Textile designed the Innerloft® blanket to make you comfortable too, with more durability and lower laundering costs. Your guests will see the comfort of the Innerloft blanket on their bed. You'll see the value on your bottom line.

TAKE COMFORT IN LOWER COSTS

Standard Textile's engineers put extra effort into the design of our attractively priced blanket to make it more comfortable for your guests and more affordable for you. Its hypoallergenic blended cotton/ polyester ticking and soft, 100% recycled polyester fill combine comfort with resilience. The seven-inch box quilt design resists clumping while adding visual appeal, and the double needle stitching stands up to frequent laundering.

EZ ID® is StandardTextile's patented easy size-identification for housekeeping. Color-coded loops on all four corners make the size identifiable without altering the luxurious appearance.
